

Foreign Language Media in Canada

Project Title	Foreign Language Media in Canada
Project Summary	Monitor Chinese, Russian, and Farsi-language media in Canada.
Country	Canada
Agency	Department of State
DoS Office	N/A
Post	OTTAWA
Section	POL
Number of Interns	6

Project Description

Embassy Ottawa seeks 3-6 virtual interns to monitor foreign language media in Canada. Chinese, Russian, and Farsi media offer interesting and useful insights into governments' and diaspora's views on Canadian and U.S. foreign policy. Successful applicants will identify the most relevant press sources in these language, monitor and review them regularly, and produce written reports on interesting news, op-eds, features etc. for use by the Political Section.

Desired Skills Interests

Additional Information

Applicants should have some knowledge of political and security issues pertaining to their country of interest so they can best identify news articles and issues here in Canada.

Language Requirements

None
